WE DO THE PLANNING, YOU DO THE CHEERING

Qatar will be the smallest country to host the World Cup in a football history. With all the matches being played within an hour drive from Doha, Qatar's capital, there is an exciting opportunity to attend more than one game in a single day. Transportation between hotels and venues is as simple and convenient as one could only dream of. Doha and the entire country promise to become a football heaven for international travelers in 2022.

Qatar boasts vast natural beauty with so many exciting activities to experience. Doha in particular has so much to offer to impress even the most experience travelers. Bringing the best of the old world and the new highlights from museums, advanced cuisine to ultramodern architecture, Doha and Qatar have something special for everyone. Never before has the World Cup been held in such a truly unique location.

ACCOMMODATION

Securing accommodation in Qatar might be the trickiest part of planning your journey. Due to the fact that the population of Qatar is just 2,8 mln people, most of the hotels are already booked for the World Cup participants and officials. World of Discoveries is happy to inform you that we have secured access to accommodation across multiple locations to guarantee your attendance at the world's biggest football event with us.

Our **FOLLOW YOUR TEAM** ✈️ **UAE PACKAGE** gives you the opportunity to explore the whole region and split your stay between Doha and neighbouring Dubai. We've booked the best hotels for you in vibrant Dubai.

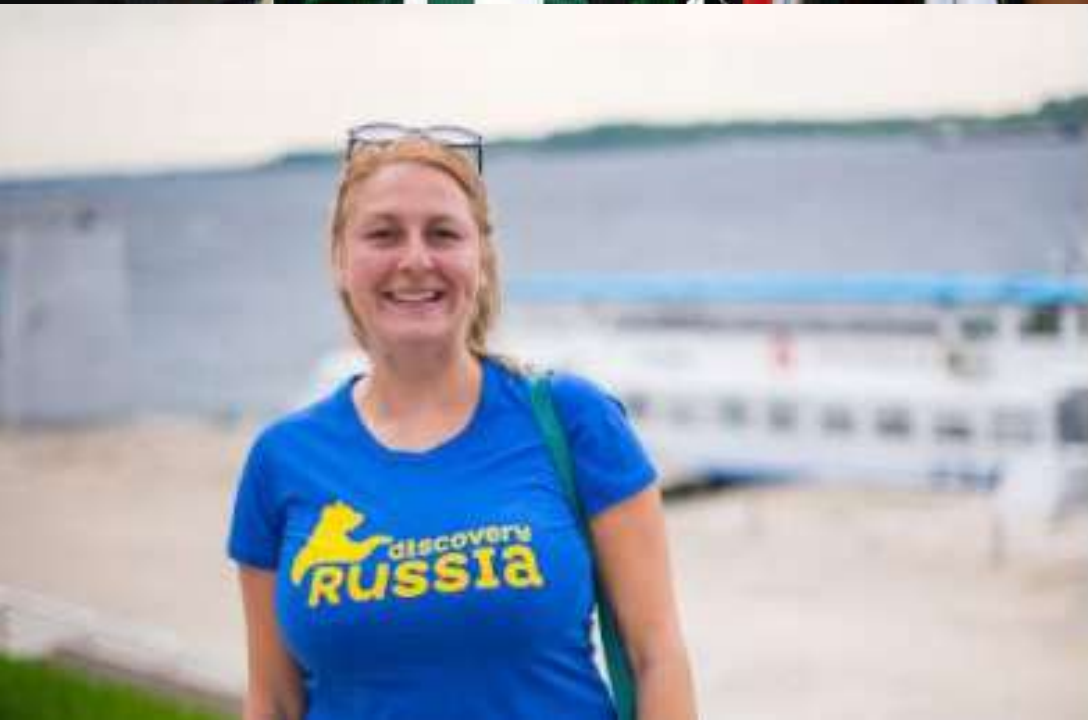

TRANSPORTATION

We will meet you at the airport and transfer to your accommodation in Doha, as well as provide you with a private airport transfer service on the final day of your journey. Our coach will also take you to the welcome and farewell parties from venues or your accommodation. Group transfers to/from the stadiums on match days of your team are included as well.

Don't miss a chance to attend more games! Getting around while staying in Doha is easy with Doha Metro and Uber as the longest drive between the World Cup venues will take only about 1 hour.

FOOD & BEVERAGES

Your package will include daily hotel buffet breakfasts & delicious welcome and farewell dinners at iconic high-end restaurants.

We also pay attention to Qatar laws on alcoholic beverages as we know there is no soccer party without drinks. Alcohol is not readily available in Qatar, currently only international hotel chains and their affiliates are permitted to serve alcohol. Discussions are underway regarding sale of alcohol at Fan Fests and we all hope they'll take in consideration a successful test of Fan Zones selling beer at the FIFA Club World Cup 2019.

We will do our best to provide our guests with access to bars licensed to sell beers, cocktails and spirits.

24/7 PRE – AND ON TOUR SUPPORT

We're available 24/7 by phone/WhatsApp/Telegram to address any questions you may have during planning the trip to Qatar. On tour, our tour directors are there on sites, assisting you with various needs and coordinating your travel arrangements.

Discovery Russia ... I certainly did!!

I decided to use the Discovery Russia Tour Service of the World Cup after some extensive research into the tour alternatives.

Discovery Russia seemed to differentiate its tour Service by providing a more culturally based service with a healthy dose of Football and Fun.

My experience was that it as well run ie they delivered on their promises. They have a health mix of local staff and Australian staff. The Russian staff had a great empathy for the challenges for us Aussies traveling in a country where you had no language skills they bridged that gap with there wonderful help.

I know there are many alternative tours but Discovery Russia certainly lived up to its name. I felt I discovered part of Russia but there's plenty more to go!

Overall just a great experience.

Wonderful tourism organization

Wonderful tourism organization. For what we payed for I believe we got the best deal possible. I was a little hesitant because of the difficult paying process and time it took to receive our itinerary, so we secured with PayPal just in case. Turns out this company was very real and amazing. We did the follow my team (Peru) World Cup edition And our group leaders were always on top of things and always dedicated in making our stay as comfortable as possible. At times during outdoor tours it would be a little hard to hear the guides so therefore I'd recommend a speaker of somekind. We never did the long lines during our tours because our tickets were always ready so we'd always skip lines which was great. The people within our group were all great and it was nice to be able to connect with people from all over the world. I would definitely do this again!

World Cup Extravaganza!

What a trip... the World Cup, five cities, amazing camaraderie, and great tour leadership against the background of one of the globe's most amazing countries... Russia! My World Cup tour with Discovery Russia was one of the great experiences of my travel life. The Discovery Russia team provided a wonderful platform with an itinerary both practical and flexible. The local tours in each of the venue cities - Moscow, Kazan, Samara, Sochi and St. Petersburg were informative and, importantly, fun. Considering the accommodation pressures created by the huge influx of Cup tourists, the hotels selected by Discovery Russia were more than adequate. Special mention goes to the Grand Hotel Ichonovsky in St. Petersburg. The tour leadership provided by the company was both expert and considerate. Importantly each traveler's individual enjoyment and safety appeared to be the paramount consideration. This World Cup holiday was meant to be a "once-in-a-lifetime" experience for me but I am now planning for the next Cup. Bring on 2022 in Qatar!

2018 World Cup

My cousin and I attended the first Mexico soccer games of the 2018 World Cup and Discovery Russia was excellent. The lodging accommodations were great and convenient and the personnel in Moscow and Restov-On-Dan were wonderful. Thank you Tim for taking care of every request we made. I was very surprised to receive a message at 3 am informing me that our car was outside waiting to transfer us to the airport. That is the level of service that we received from Discovery Russia. Great company that made our trip even more memorable since it was absolutely hassle free.

Discovery Russian World Cup

From the outset Discovery Russia have been great to deal with. From the initial enquiries to our departure from Russia they were always willing to answer any questions we had. Nothing was too hard to organise if we wanted to do an extra day for example.

We did a guided tour of the cities we visited and they all provided a great insight to the culture and history of those cities.

We had no issues throughout our trip with everything meeting the high standards.

Thanks to you Tim and Vera
